

HEALINGESCAPE

Global Medical Tourism Facilitator

Connecting the World to India's Healthcare Excellence

Brand Profile | 2025

Lucknow, India | Serving Patients Worldwide

Welcome to HealingEscape

Our Story

HealingEscape was founded on the simple belief that where you live should never determine the quality of healthcare you receive.

HealingEscape is a leading medical tourism facilitator based in Lucknow, India ; connecting international patients with India's world-class, affordable healthcare.

Our aim is to bridge geographical gaps that hinder access to essential healthcare services by delivering seamless medical journeys and exceptional outcomes through compassionate care, rooted in North India.

So you can focus on what truly matters: *healing.*

OUR MISSION

To empower international patients by providing transparent, personalised, and end-to-end medical tourism services, connecting them to India's leading hospitals and specialists while ensuring comfort, safety, and confidence at every stage of their healing journey.

OUR VISION

To become a globally trusted bridge between patients and world-class healthcare, renowned for ethical practices, patient-centric care, and global reach.

Our Unique Selling Propositions:

HEALINGESCAPE
TRUSTED CARE ACROSS BORDERS

Why India Is a Global Hub for Medical Tourism →

Advanced Technology

Cutting-edge medical infrastructure and innovation.

Cost Advantages

Treatments in India typically cost 60-80% less than in Western countries, without compromising on quality.

World Class Healthcare

English-Speaking Professionals

Doctors and healthcare staff are fluent in English, ensuring clear communication and comfort for international patients.

Cultural Hospitality

The Indian tradition of 'Atithi Devo Bhava' ("Guest is God") ensures patients receive compassionate, personalised care throughout their journey.

YOUR HEALING JOURNEY: STEP-BY-STEP

1

INITIAL INQUIRY

Patient contacts Healing Escape with medical requirements.

2

ASSESSMENT & CONSULTATION

Expert review of medical reports and virtual consultations with leading specialists.

3

TREATMENT PROPOSAL

Detailed plan with hospital options, estimated costs, and timelines shared with patient.

4

TRAVEL & VISA ASSISTANCE

Support with medical visas, flights, and logistics.

5
